Accessing EAP Services Through Maple

Access all Employee Assistance Program (EAP) services directly through the Maple app.

Not yet registered for UV Health+?

You will need to create a Maple account to access both UV Health+ and EAP services.

Already registered for UV Health+?

Good news!
No action is required. Your existing Maple account will give you access to both UV Health+ services and the EAP, all from a single platform using one Maple account.

How to Register with Maple?

You can register using any of the following methods:

Using the QR Code

- Scan the QR code
- Click « **Register with Maple** ».

Through the Member Secure Site

- Select UV Health+ from the left-hand menu.
- Click « **Access** » under « **Ready to get started?** ».

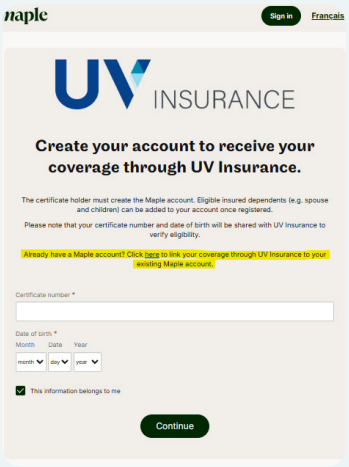

Through the Mobile App

- Select the UV Health+ tile.
- Click « **Access** » under « **Ready to get started?** ».

Through the Website

- Visi: getmaple.ca/uv-insurance
- You will be directed to the Maple login and registration page.

Important
If you already have a Maple account, either a personal account or an account through a previous insurer, it is important to **link your existing Maple account to the one provided through UV Insurance.** Doing so will allow you to access all available services under your UV Insurance coverage through a single Maple account.

Once your registration is complete, you will be able to access both UV Health+ services and the full range of EAP services directly through your Maple account.
